

HISTORIC DAY AT LAMPRELL'S NEW HAMRIYAH FACILITY

Scorpion Intrepid docked at Lamprell's New Hamriyah Rigyard

Scorpion and Lamprell personnel welcome the new arrival

UAE Rig major, Lamprell, celebrated a major milestone this week, with the docking of Scorpion Intrepid, the first ever rig to dock at Lamprell's new 250,000 m² custom built rig facility inside Hamriyah Free Zone.

The newly built Scorpion Intrepid was recently completed at AmFels Yard in Brownsville, Texas, and was transported to the UAE on the dry transporter Dockwise Treasure.

After mobilization works at the Lamprell facility, the Le Tourneau Super 116E design rig, will mobilize to the neutral zone at Al Khafji to commence a 4 year contract for Khafji Joint Operations (KJO)

Meanwhile preparations are nearing completion for the Official naming ceremony on April 28th; of Lamprell's first new build Drilling Jack Up, Offshore Freedom, and another Scorpion unit, which was built at Lamprell's Hamriyah facility.

A further Scorpion newbuild, Offshore Mischief will be delivered from the Hamriyah facility early in 2010.
