

LAMPRELL ASIA – OFFICIAL OPENING CEREMONY IN BANGKOK

UAE Oil & Gas Engineering and Construction Company, Lamprell Energy Ltd, recently opened their “Lamprell Asia “facility in the Southern Port of Sattahip, Thailand.

The occasion was marked with a lavish Official opening Press Conference & Reception held in Bangkok on the 20th May at the Grand Sheraton Hotel.

The ceremony was attended by a host of Dignitaries, Industry Professionals, Press Officials, Associates & Colleagues of Lamprells and Triconeer, their Thai advisors to the project.

VIP attendees included:

- Mr. Krairit Nikuha**, Deputy Permanent Secretary to the Ministry of Energy,
- Dr. Kurujit Nakornthap**, Director General, Department of Mineral Fuels
- Mr. Surong Bulakul**, Executive Vice President, PTTCL
- Mr. Padhanaseth Changkasiri**, Chevron General Manager, South Asia Policy & Public affairs.
- Dr. Suppamas Prachakvej**, Vice President PTT Exploration & Production PCL.

Capt.Chumpol Promprasit RTN, Managing Director, Bangkok Docks.

In his address, Mr Krairit Nikuha,"complimented Lamprell for choosing Thailand and making a commitment and an investment in the local Oil & Gas sector, thus creating employment in the region and adding a valuable contribution to the services offered within this growing energy sector"
